

TEGSA proudly presents

**BLAST FROM THE PAST**

At 140, Commander Blvd, Scarborough on Friday, April 26, 2013, at 6:30 pm

A nostalgic trip down memory lane. “The 50’s and 60’s was outta site, daddyo! Boys and girls in leather jackets and poodle skirts were dancing the twist to the music of Chuck Berry and Elvis”, Chuck Berry who was the real creator of the “twist”.

Our professional entertainers, Jennifer and Ritchie, well known for their performances around Toronto, will recreate the sounds and memories of this golden era of rock and roll and celebrate the songs of the most influential decades in the history of music, with audience participation.

DRESS CODE: Be creative and innovative. Ransack your wardrobes and let your imagination run wild.
