

April 27 - Meet & Greet

The new season kicked off with an evening of music, dinner and dance. There was excitement and anticipation in the air. Old friends came together while some people made new friends as well. Social Secretary Fatima Lawson welcomed everyone to a new term under the dynamic leadership of President Joachim Menezes and his energetic executive. Vice President Jean Andrade opened with a beautiful Grace followed by an appetizing snack plate served by Winnie Gomes. With everyone energized, our members packed the dance floor to the fabulous music provided by Vinod Monteiro who kept all the young at heart on their toes.

Joachim Menezes, TEGSA's new president, thanked Olga Madeira and each of her executive for all their hard work and contribution to the club's continued success in 2010 -2012. Adding a personal touch, President Joachim introduced the members of his executive committee, followed by the introduction of the subcommittees.

And what would an evening be without the famous game of Bingo?? Thanks to Ruth Kempster for making sure members can enjoy a round or two of bingo after each and every event at Commander Hall.
