

10th Gala Anniversary Year of TEGSA

It was 10 years ago in 2004 this non-profit organization was established, by a small group of friends lead by Mr. Claude Gomes. On Oct. 24, 2014 TEGSA celebrated their 10th anniversary which was certainly a milestone worth celebrating. The President, Bel Remedios welcomed all present.

Over the past 10 years, TEGSA had increased its membership to over 700 members and 6 elected committees had served during this period of time. Needless to say, it was the dedication and hard work of the Presidents and various committee members, not forgetting the support some members continuously make time to attend the events.

Mr. Bas Balkissoon, MPP, in his speech mentioned that he had seen in the past years TEGSA grow to be one of the respected organizations that cater to the needs of their members. Further, he congratulated the Founder members, past Presidents and committee members for volunteering their time and expertise.

On behalf of the Legislature of Ontario he offered his best wishes to TEGSA's ongoing success. A scroll was presented to President, Bel Remedios.

Also, Mr. Chin Lee wished TEGSA the very best in their future endeavors. A scroll too will be presented after the current elections.

The highlight of the evening was when all 5 past Presidents as well as the current President were called on the floor to appreciate a job well done and they had faithfully continued the spirit of the founding members.

WHAT AN AWESOME ACHIEVEMENT!!!!

Our seniors danced, danced and danced all evening long to the music of the 'Three Amigos'. Of course the winners of the 'Dancing with the Stars' competition went to Hubert and Audrey. The Metropolitan Banquet Hall served a sumptuous dinner and the red and white wine on the table was a great appetizer.

Finally, we can be rest assured that the current President and his vibrant committee members have a lot in store for their members. Events that range from prayer services, well- being presentations, games, singing, dancing and let us not forget those delicious meals.

Yet to come, TEGSA is now considering to move to humanitarian areas to promote and care ageing members.

LONG LIVE TEGSA!!!!
