

Sep 10, 2014 - Ballroom Classes

We continue to have a great turnout of members taking an interest and participating in the ballroom dance classes. This time we have had a blend of beginners and advanced classes catering to the needs of those who attended in the past and those who came for the first time. Agnes and Gary Leung have once again been patient, kind and persistent in teaching all those who attended, encouraging them all the way in becoming better at ballroom dancing. We thank them and look forward to having them back again in the near future.
