

WHIST DRIVE AND BINGO– November 20, 2015

The event was well attended by 103 members and guests. The evening started off with the Grace, beautifully said by Gloria Moniz. The snacks were delicious; it even included the favourite potato chop, catered by Joanita Alphonso followed by tea/coffee and cookies.

Next was 'eyes down everyone' for 2 games of Bingo. The bingo callers were Fatima Lawson and Mena Farrell who used a lot of 'bingo lingo' and rhymes for the numbers which made the games enjoyable.

The Whist was the main event of the evening. There were 21 tables and very enthusiastic players, each one vying for the big cash prize. Thanks to Netto Noronha for efficiently conducting the games. It was a fun evening!!!
